“ I just learned about Dr. Goff's passing. He was the first faculty I met at USM and was not only my professor and advisor, but a true friend. My prayers are with you all. I spoke with him a few years ago after learning he was at UNF. Our loss is Heaven's gain. I will miss him.

“ "Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond's glint of snow. I am the sunlight on ripened grain. I am the autumn's gentle rain. When you waken in the morning's hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there, I did not die." our deepest sympathy and love, Joe and Joyce

“ I am very sad to hear of Dr. Goff's passing. He was a great professor and I learned so much from him. I most appreciated the calmness and level-headed approach as a professor and his clear instruction. I enjoyed being a graduate lab assistant for his Intro to TV course and think often about the valuable lessons learned in his graduate Mass Communication classes. My very deepest condolences to Dr. Linda Goff, his son, Matthew, and his brother Robert, as well as all of the many friends and colleagues who will miss him. He is gone too soon.
