

Deborah Nancy Schock

December 5, 1946 - March 18, 2021

Deborah Nancy Schock, age 74, passed away on March 18, 2021 in St. Augustine, Florida with her family by her side.

Deborah, “Debbie”, was born to Charles William, “Bill”, and Elizabeth Camburn in Montgomery County, Pennsylvania and grew up in Ambler, Pennsylvania. She graduated from Wissahickon High School in 1964 shortly before meeting her future husband James. They were married in 1968 and spent the next few years moving between military bases in North Carolina, Virginia, and Germany.

In 1980 they moved to St. Augustine where they settled down to raise their three children. She enjoyed sharing her passion for the water with her children through trips to the beach, scuba diving, sailing, and learning to surf. Deborah also had a love for dogs; especially her black lab Super. However, her greatest passion was spending time with her family that she cared about more than anything.

She is survived by her husband, James Schock, Sr.; children, James Jr. (Penelope “Penni”), Chad (Sheryl), and Kelly (John); grandchildren, Rachel, Riley, Miles, Amanda, John, Samantha, Sam, Cole, Connor, and great-grandson, Mason. A memorial service will be held at 10:00 A.M. on Friday, March 26, 2021 at St. Johns Family Funeral Home with the Rev. Canon B.

Wiley Ammons officiating. The family asks that in lieu of flowers donations be made in support of MD Anderson Cancer Center at MDAnderson.org.

“ *Debby and I were two of four very close high school friends who hung out together nearly every weekend. We were huge Beatles fans and once saw the Beatles movie Help! 28 times in two weeks. We were always doing crazy things. We lived near each other and I often spent the night. Her father worked for the Boro of Ambler, PA and when the fire siren went off, we'd beg him to call and find out where the fire was. One night it was the Howard Johnson's burning down and he took us to watch. Debby and I had hours of fun together, and she was always playing Ricky Nelson records when we hung out in her room.. We stayed in touch infrequently over the years and I knew of her COPD which prevented her from coming to our 50th class reunion. I am very sad to hear of her passing. My deepest sympathy to the family. I am so happy that she had a wonderful life with you all. She was a wonderful person and a very good friend. May she rest in peace. She will be missed.*
