

## Debra A Cervelli

October 25, 1954 - November 27, 2024

Debbie passed away on November 27, 2024, at the age of 70, surrounded by love and care at the Bailey Family Center for Caring in St. Augustine, Florida. She was born on October 25, 1954, in Jonesboro, Arkansas, where she first demonstrated her passion for learning and exploration. After earning a BA degree with honors from Arkansas State University, Debbie's thirst for adventure took her to New York City, where she embarked on a successful business career. In 1987, she relocated to St. Augustine, Florida, where she excelled as a Purchasing leader in the aerospace industry.

In 2001, Debbie and her husband, Ron, moved to Denver, Colorado. There, she redirected her focus toward her creative passion-home design and décor. Debbie had an incredible gift for transforming new house constructions into warm, family-friendly homes. Her work reflected her love for beauty, creativity, and the sense of comfort she wanted to share with others.

Debbie's zest for life extended far beyond her professional and creative pursuits. She was an avid reader of historical books and had a deep fascination for historical sites. Her passion for travel and diverse cultures took her to India, China, Western Europe, Thailand, and countless other destinations across the globe. She also made it a point to visit nearly every state in the U.S., embodying her spirit of curiosity and adventure.

While we grieve the loss of someone irreplaceable, we celebrate the legacy Debbie leaves behind—a legacy of love, compassion, and joy. Let us honor her by living with the same grace, generosity, and passion that she modeled every day.

Debbie leaves behind a loving family and many dear friends. She was preceded in death by her parents, J.D. and Mabel Dent.

In lieu of flowers, the family asks that contributions be made to a cancer society of your choice in honor of Debbie's strength and resilience.

Thank you.

“ I’m so saddened by this news.

*My recollection of Debbie is that she personified “class”. That she took impeccable pride in her home and appearance with an unbridled attention to detail. She was well spoken, intelligent and had a great sense of humor. Despite her elevated stature, she was eminently approachable and down to earth. She appreciated the finer things in life without being pretentious. She was serious minded and fun loving at the same time. She was not afraid to laugh.*

*Gone way too soon. My thoughts and prayers are with her husband Ron and extended family and friends.*

*Rest in peace Deb. Heaven is a better place for having you.*
