Beautiful tribute to Deb..she would have loved the pics,she looked so beautiful in each one ,and those of us that knew her well know how she always wanted to look her best everyday! Makes me smile remembering hanging out shooting the breeze while she put on her makeup ☐. She loved to lay in the sun and her pets were the luckiest in the world, sometimes they ate better diets than most people..Trish Trish Parsley Thompson you were her daughter and she was so proud of you..she used to say she knew where all the brains went in the family...lol..and Dalton Thompson and Billy were her boys..she kept popsicles and a toy box for the "little kids" , she was so kind,generous, and funny. I regret not spending more time with her, Kirk Parsley you were a devoted husband who never left her side and the care you took of her was a beautiful gift of love. Rest in peace my dear friend, she was like a sister to me and I miss her Until we meet in heaven Deb..I love you. "Lease" ❤️
