“ I'll miss my friend Diana and our bike rides together! I've known her since 6th grade. She was in 5th. We had dinner together and she made me the best potato salad with shrimp I have ever had. She helped me when I was sick and I will always be thankful. We had many good times together. She will be missed dearly! Go with the angels my friend! I love you! I'll think of you when I walk Matanzas.
