“ I am sure my sister Wendy has many more memories to share. I just want to say how much I love Dick and Sandy. They are family to me and when I would see them on their visits back to New York I felt like I had come back home to Sugar Hill. Dick was the salt of the earth and he will be missed more than he will ever know!! He and Sandy were a light and a comfort to us during our childhood. So sorry to the whole family for such a loss!

“ One of my favorite memories of Uncle Dick is as a little girl, I can remember singing/dancing etc. around him (Most likely aggravating the heck out of him, lol) and him always telling me I "should be a movie star...or be a performer". I always smile when I think of that- it always made me feel good about myself . Lol. Much love family.
