“ I worked with Dillon for the past year and a half. When I first started here, Dillon was shy and reserved. In the past 8 months, Dillon really started to open up and find his voice. It was both refreshing and beautiful to see his confidence build. He would light up when given the opportunity to learn something new and enjoyed sharing his knowledge with his co-workers. It was a privilege to work with Dillon and his presence is sorely missed.

“ In respectful memory of Dillon "The Dillonator" Fields

I worked beside Dillon on numerous occasions, from mundane to difficult tasks. He didn't shirk from the difficult and handled the mundane with humor and persistence. Leo & Mona, you can be proud of him. He was on his way to becoming a good man. With a daughter his age, I don't have the words to express my sympathies or your loss. Just know he will be missed by myself and others.

With my condolences,

J. "Tex" Davis
