“ I had the honor, and pleasure of serving with Jim in OS Div on the MIDWAY. I was crypto tech onboard from 08-1977 to 08-1979, and Jim was a good friend of mine. Young, bright, talented, and a natural leader; I enjoyed his friendship immensely. I've thought of him often through the years. It breaks my heart to learn he has left us. The Lord surely broke the mold the day Jim was born. My deepest condolences to his family.
