“ In searching thur the obituary I found your name and I wanted extend my condolences to you and your family. I know this is a difficult time for you, but I wanted to share a wonderful hope found in the scriptures, A real hope of being reunited with your dead loved one is found in the scriptures at: John 5:28. 29, along with a promise from Christ Jesus at: Acts 24:15, where he said that there is "Going" to be a resurrection, soon we will see these scriptures come true. My prayers are with you and family at this great time of loss. May Jehovah , the God of all comfort give you what you need to deal with your loss .

“ Donnie was truly a good guy and I had the pleasure of working with him for many years both in the automobile business and when he served as my court bailiff. I know he's in a better place.

“Dad was infectious. Everything about him was. He always said the darnest things, smiled from ear to ear, and had the best laugh in the entire world. We miss him terribly already. But, heaven is a place of joy where pain does not exist. There is peace in knowing that we will be with him again someday Love you dad.
