“ It is so very sad to lose someone so sweet and loving so soon. Her faith in God gave her extra time to spend with her family. She will be greatly missed by all who knew her but she will be reunited with the loved ones we have lost. (I uploaded a couple of old pictures I had)

“ I am so sorry that Donna had to leave so soon, but your loss will be your Mothers, Fathers, and Kevin's joy. I never knew her to hurt anybody, she loved her family with all her heart. The Glory of this can only be she will not be suffering any more and she will be in the company of the people she loved most. I am sorry for your loss. I know she will be missed.
