“ I just learned of Donna’s passing. She was a very kind hearted person and very understanding. She assisted with pre-arrangements for my mother and father, as well as my mother-in-law as well as providing comfort when we lost our grandson Kyler. I came across this news today on the website for St Johns Family Funeral home. I was hoping to get with her as my wife and I are now considering our end of life needs and desires. Rest in peace Donna and thank you for all you have done for me and my family.
