Miss her so much. She was born in 1944 and i was born in 1945. All our memories especially before our teens were completely tied together. We would talk about and write each other about these events and memories often and kept them alive. Now i am 77 yrs old and desperately miss her words to me and mine to her. We grew up much like we were twins. She with hrr nearly black hair and me with my nearly blonde. We both had brown eyes (hers very dark and mine almost hazel). Wish i could have been with her when she passed, but i lived in Tulsa, OK & she passed in St Augustine FL. I had planned to visit her a couple of weeks before she passed, but couldnt rent a car because i didnt have a credit card. Will always love and miss her and our trips together. One trip to Savannah GA, 2 TRIPS to Lawrenceburg IN where we and our siblings & her first daughter grew up. I took care of our Mom before she passed in 2004 and made sure she could get ip to Lawrenceburg IN for her funeral and Daddy's funeral in 2002.. Will think of her, love & miss her till i can join her & the rest of our family and friends who have passed for the rest of my life. Love and miss you always DONNA. Your sister, SANDI.

“ My mom was a strong and stubborn, but had a very huge heart. She was not only a wonderful mom, but a best friend. She was loved by so many people. She was a loving grandmother to all of her grandchildren and great grandchildren. My mom has inspired me to be a strong woman and I will miss her so much. I LOVE YOU SO MUCH MOMMY..
