“ She was an inspiration. A fire cracker 🧨😊❤️  
- her kind spirit and energy will remain with  
me forever. Women in construction have a  
special spark about them. She inspired me to  
stay feisty fun and unapologetically direct.  
Reminding me that a woman's role and voice is powerful. Her  
beautiful smile and sense of humor always brought joy to our visits.  
A true boss babe! Heaven gained an angel.

Vovo

*There aren't enough words to capture Vovo  
But I will try:*

*Soaring Spirit, Bold  
In Constant Motion  
Looking ahead  
Ahead of her time  
Matriarch  
One loaf into so, so many  
Fierce in her love of family  
Fierce in her love of God  
Nonexistent filter (Ha ha ha ha ha!)  
Kind, Generous, Kind, Generous...  
Seer of the Unseen*

*Vovo was like a second mom to me since Mel and I met in college. She always made me laugh. She always made me feel like part of the family. When I went through a very tough time after my son Dempsey was born (because of a family rift), she wrote me a letter that gave me so much comfort. She told me that love was all that mattered, and that she and Papa would be here for me and Dempsey and my partner Lundy. She said that when she lost her son Stephen, she realized that nothing is worth losing a relationship, that nothing else mattered but love. Every year since he was born, she sent Dempsey presents on Christmas and his birthday so he would know he had an extra set of grandparents. Even this year, when she was too sick to go herself, she asked Mel to send him something. I will be forever grateful to her, for her love and generosity. We will all miss her so much.*

*I will post a picture from a few years ago of the bumble bee pillow she got Dempsey when he was born. And then one from today. We love you, Vovo!!!! Thank you for all of the love and joy you brought to our lives.*

*Love, Steph, Dempsey and Lundy*
