

Dorothy Louise Osborne

February 9, 1928 - February 10, 2025

Dorothy Louise (Masters) Osborne, 97, of St. Augustine died peacefully at her home on February 10, 2025. She was born to Leonard and Lillie (Lee) Masters on February 9, 1928 in St. Augustine and was a lifelong resident. She married the love of her life, Ralph Osborne, in 1944, right before he left to serve in WWII. When he returned, they raised their four children in St. Augustine, with small stints in Miami and New Smyrna Beach while Ralph worked for Florida East Coast Railway.

When Ralph retired in 1988, they enjoyed traveling, gardening, and spending time with the immediate and extended family, of which they were the center. Her children and grandchildren (and later great-grandchildren!) were the highlight of her life. She was affectionately known as Granny Dot, Gran, and Aunt Dot by everyone who loved her.

She was preceded in death by Ralph; her son, Jeff, and her grandson, Brad Manucy; her parents, her two brothers, Clyde and Stanley and her sister, Lois Wainwright.

She is survived by her three daughters, Linda Lundquist (Grady), Sandra Manucy (Edsel), and Deborah Tabyanan (Rocky); seven grandchildren, Timmy Lundquist (Dana), Joey Lundquist (Melissa), Chris Manucy (Lisa), Kristen Osborne (Matthew), Trey Osborne (Amber), Nichole Osborne (Gabe),

and Lillian Tabyanan; 15 great-grandchildren; three great-great-grandchildren; one sister, Deanie Masters; and a host of many nieces and nephews.

Funeral service will be held at 11am on Tuesday, February 18, 2025 at St. Johns Family Funeral Home with burial to follow at Evergreen Cemetery. A visitation will precede the service from 10-11am.

“ To be blessed with a Granny Dot like mine is absolutely one in a million. She was an amazing lady who taught me so many things. Plenty of people here will never understand what it is to have a grandmother for your mom but there's nothing like it and then when something like this happens because you expect her just to be here forever it takes a piece of you with them. This is just different. The stopping by the house for chats at the counter stopped a long time ago and I'm happy she is in heaven now but this feeling is just different.

“ I am beside myself with the passing of my Gran, she has forever been my rock and guiding light. I know that in her 97 years she has influenced so,so many but I don't know that they compare to how she influenced me. She lived a long happy & loving life. I understand that she is with God, her parents, Siblings,Pop, my Daddy, Brad and so many of her family & friends, however I'm still so very saddened that she's not going to be here for us to stop by, hug her neck and tell her we love her. She will forever be missed & remembered 😭

“ *Never did a more complete woman walk the earth except Eve herself. My granny had it all and I'm glad she shared most of it with me. I have to say I'm jealous, but so happy she is finally back with poppa and daddy. I know she's complete again.*
