“*We are so shocked. I had dealings with Doug 29 years ago when he organized Sprint teams and I was Bramalea Baptist Mission Chair. My daughter went with Sprint to Indonesia. I always found him great to wok with and a Godly man. We are praying for the family. May God give comfort and strength*

“*Doug was more than a work associate. Down through the years Doug and I shared many joys and heartaches as brothers in Christ. I was truly blessed to have had Doug in my life these many years. He was always uplifting, insightful and encouraging to me and so many others. I will forever remember his smile and laugh. Rebecca and I will continue to pray for peace and comfort to you Pauleen and your entire family as you face the days ahead.*

“*Dear Pauleen and Children, Your beloved Husband and Dad was a very good friend of mine. He and I first met in 1999 when you guys were in Asheville, NC. That's only where the journey began. We have been teammates off an on for years now. While i admire his body of work over the years the one thing I can and will tell you is that he always had you close in his heart. Whether it was hearing about your travels together, school activities, hockey, golf... you could always feel the joy in his heart for all of you. His passion for family is the greatest and most admirable qualities of this man I called friend. I just spoke to him last week as he was headed to Gainesville. While I am devastated by Doug's passing... I know that it's only a fraction of what you are going through. Know that Dorothy and I have all of you in our prayers. To my friend Doug... God Speed brother. Will see see you on the other side some day.*

“*Pauline, the shock of this news is overwhelming. I have fond memories of the gang in C&C at BBC. I remember meeting you, double dating with you two, and enjoying your presence in the youth group. The grieving will be painful. May the memories of your life together carry you through to the smiles and laughter as a family.*

“*To the entire White Clan, This comes as a huge shock. I will always remember Doug for his leadership at Battalion and the many camping trips we went on. He was also co-leader of my first trip to Ecuador. His leadership, his sense of humor, and his friendly ways are what come to mind. I know he's in a better place, but I'll continue to pray for those who deeply feel the pain, his leaving brings.*
