“ In searching thur the obituary I found your name and I wanted extend my condolences to you and your family. I know this is a difficult time for you, such a young man, still wanted to share a wonderful hope found in the scriptures, A real hope of being reunited with your dead loved one is found in the scriptures at: John 5:28. 29, along with a promise from Christ Jesus at: Acts 24:15, where he said that there is "Going" to be a resurrection, soon we will see these scriptures come true. My prayers are with you and family at this great time of loss. May Jehovah, the God of all comfort give you what you need to deal with your loss. www.JW.org

As you well know, for our comfort at times such as facing God's Holy Word provides us with Passages such as Psalm 116:15, 1 Thessalonians 4:14, and 1 Corinthians 15:26. I pray you meditate on these and lean on Him for strength, He is greater than our hearts.”

“ Dustin, You came into my life the same way you left it like a hurricane fast. However the length of time we knew each other doesn't do anything to the extreme impact you left in my life! You were a great friend, fiancée, and step-father! If there were more people on this earth like you this world would be a much better place! I pray for your family as well as those who know you because if they knew you ; like myself they aren't sure why God took you so soon, but know that God has another Angel! RIP Buddy! Shannon & J
