What a lovely tribute video for my spunky & kind friend. I'm so grateful to have been counted as a friend all these years. It's been hard seeing him suffer so in these last days with pain but to witness the love and care between him and Rosalind was precious to me. I'm going to miss him and will think of him often especially on June 3rd! Rest in peace Ed may God comfort his family 💕

“ *I enjoyed working with Ed, a really fine person and friend. Bought furniture for our new house years ago before he started his Guard career. Wish I had seen him since his retirement. I remember him as honest. fair and with a great sense of humor. Nothing but great memories of him, My condolences and sympathy to his family.
