“ *Don't weep for me for I am with you always. In the morning breeze, In the sun that shines, In the snow that falls, In the whisper of a smile. Don't weep for me, I am gone but I am with you always. Thank You for your great friendship to me and my daughter Peggy, You are deeply missed.*

“ *I wish heaven had a phone so I could hear your voice. I thought of yesterday and the days before that. I think of you in silence, I often speak our name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in his arms; I have you in my heart. Always. I will miss you. My best friend:*
