It is with heavy hearts that we announce the passing of Edwin "Ed" Melendez, a beloved son to Edwin Melendez and Juanita Correa. A father, brother, cousin and friend, who departed this life on February 13, 2025, in Hastings, Florida. Born in New York and raised in Cleveland, Ohio. Edwin's vibrant spirit and larger-than-life personality touched the lives of many during his 52 years on this earth.

Edwin was a dedicated landscaper, known for his hard work and tenacity. Edwin had a passion for music and dancing; he delighted in playing the conga, filling homes and gatherings with rhythm and joy. Known for his sense of humor, Edwin had a unique ability to brighten a room with his quick wit and engaging storytelling, often leaving others in stitches with his jokes.
