Dr. Eleanor Elizabeth Hurry

June 14, 1925 - November 12, 2016

Eleanor Elizabeth Hurry, 91, went to be with her beloved son, John Mark, now in heaven on November 12, 2016. He had left this earth on July 29, 2006 after Eleanor had cared for him 46 years because of his severe handicaps. She dearly loved him and missed. Now they are finally together again. She was also preceded in death by her husband, George Love "Scotty" Hurry. If you knew Eleanor, who gave another part of her life to volunteering as a school volunteer, (Hastings Elementary School in the 80's as a music teacher and Super Stars Math teacher), you would know that the children were her "thing". She also served 20 years at Flagler Hospital where she became President of the Board of the Auxiliary ultimately after giving 20500 hours of service. In the community her time was given to the Blood Bank of the St. Johns, the American Cancer Society and the American Heart Association. She was also former president of the Elands. Eleanor was a devout Methodist and extremely active in her church, First United Methodist Church. Eleanor had served as chairperson of the Worship Committee for many years and on the Council on Ministries. In Deland District of the United Methodist Church she was Director of Lay Speaking for many years, as well as on its Worship Committee with Clergy. She is survived by sons, R. Jeffers Clark, III (Terry), Paul-André M. Roach (Renie); many grandchildren and great-grandchildren. A celebration of her life will be held 2:30 p.m. Sunday November 20, 2016 at

First United Methodist Church with Pastor Pat Turner Sharpton officiating. Eleanor loved flowers and they are gratefully accepted. St. Johns Family Funeral Home is in charge of arrangements.
