“ *Els, was one of the classiest and funniest person I've ever met. We came into each other's life's almost 9 years ago and I can tell you that it was always interesting. She always brought a smile to your face when she gave you that innocent look....."who me". Something all of her daughters use on a daily basis. I can't express enough to all of you what she meant to me. Even during our roughest times in our relationship, she always made sure that Lark was happy and loved. She threatened to cut my manhood off, if I ever made Lark unhappy and she would give everything she got to make sure that they had a wonderful life. She could make you laugh with her "Elsisms" and she was never afraid to try something new. Even in her last days, she wasn't herself physically, but you never questioned that she loved her family more than anything in this world. If you had the chance to know her personally, you were blessed. If you didn't get to, you missed out on one truly amazing individual.*

“ Dear Sarah, Lark, Fem and Alet. Your mom was so much fun, and a lifesaver when I moved to St Louis. Pushing strollers at the zoo, going 'shopping', having us over, just a delight. She was so proud of all of you! I miss her, and all of you. I am so very sorry you have lost her. Love, Aunt Barb and Uncle Don

“ "Allow me please to offer my sympathy for the loss your family has suffered. Though facing one of the saddest realities in life, be confident in God's love and attention on you at this time, He will give you strength through His Word, He is greater than our hearts." “ My mom was one of the most generous people you ever knew. So generous Liz Efta had to bring a u-haul truck down one time. She was stylish and funny as hell. Words can't express how I felt about her and how sad I am. She was Always there for me and my sisters and all of her family and friends. I will think of you every day Mom!
