

Elizabeth Long Green

July 5, 1944 - July 25, 2020

Elizabeth Long Green, 76, a resident of St. Augustine, Florida for 30 years, died July 25, 2020 at her home. Born in Little Mountain, SC, Elizabeth was a daughter of the late John Carrol and Elma Eargle Long.

She was predeceased by her late husband, Don Michael Green. Mrs. Green is survived by her daughters, Melanie Elizabeth Tahan (Juan C. Mas) and Christina Green Morrissey (Richard Seggie Jr.); her step daughter, Janet Steeper (Tim Steeper); her granddaughters, Daniella and Amelia-Kate Morrissey; her nephew, Derrill Amick Jr; her niece, Lisa Amick Rooker and their children. Elizabeth adored her granddaughters Daniella and Amelia-Kate and enjoyed sewing special garments for them and their childhood dolls. Sewing was her favorite hobby along with reading. She was student council treasurer of her high school and a graduate of University of South Carolina - a degree she earned after losing her hearing. She valued education greatly and made sure her daughters knew of its importance to be successful. Elizabeth enjoyed sharing historical stories with her family and friends about growing up with an outhouse, her mother selling eggs to make ends meet and how her family survived their house burning down when she was little. She loved to travel and spend time with her family. Her sense of humor always showed while playing funny pranks on her daughters. Elizabeth persevered despite her disabilities throughout her life and will be missed by many that knew her. A celebration of her life will be planned at a later time with her immediate family.

St. Johns Family Funeral Home is in charge of arrangements.

I remember the outhouse too and the well with the hand crank and pomegranate trees on the other side of house. But my favorite was the wooden hand cranked telephone with ear piece on a cord on the wall by front door. I also remember Aunt Emma taking us along the railroad tracks in front of the house to a big blackberry patch and picking them by the bucket full. And the trains at night. First time I, and likely all the cousins, saw the ocean was when Aunt Emma was in the hospital in Charleston. I remember Elizabeth playing in the Mid Carolina High School band. Picture of Elizabeth's visit in Philadelphia reminded me of watching American Bandstand on Saturdays to see if we could spot her.

Aunt Elma not Emma...sorry. One of our dogs is named Emma. Also needed to say that I was happy to see Elizabeth most recently at family reunions the last two years and that I hope we continue the recent tradition once we're able.

I had never heard those stories before. Thank you for sharing Robert. I enjoyed reading that.

“ I had the pleasure of meeting Elizabeth, Melanie's mom when she came to Morocco for a visit. My fondest memory was our trip to the Medina. We had so many laughs and everyone was so helpful while we were shopping. Sometimes when we would stop at some shops, Elizabeth would let me use her walker to sit and relax while she was busy examining all the goods for sale. I'll always remember her kindness and great sense of humour. May all our wonderful memories live on forever.
