“ *Dear Aunt Elsie,
You are greatly missed by me and my family! We always looked forward to your cards...and you were the only person to ever get away with calling my son "Davey", which always gave him a laugh. I will always remember our time at your farmhouse - including softball games, Thanksgiving, farm cats, and cream puffs! We'll keep an eye on Grandma for you...I hope you are enjoying the best possible view of all the flowers and birds that you could wish to see.*

Love you!

Love,

Amy, Dave, "Davey", and Elizabeth

“ *When I was in the third grade, we were told to write letters to a relative we didn't know. I asked my mother for one and she told me that my great aunt Elsie loves letters and cards and would love a letter: so I sent one. I've sent one and many more until this last moment and I have her to thank for my career as a writer. If I hadn't written her, I'd have never decided to become a writer in any sense of the word. Yet, can't say thank you enough, and I can't seem to find the words to say now that she's up with her family in heaven. You'll always be in my heart and in every word I write, I hope you're enjoying your time with the angels, I'm sure they missed your company.*

“ *Elsie and her family lived the next farm down from us in NJ when I was growing up. Our families were friends. We've stayed friends through the years. She always sent me cards for every occasion. She was so good about that. Always looked forward to her card. Will miss that.*

I went to same school with her son, Skip.

I was privileged to attend her 100th Birthday Party. Such a beautiful Spirit & a beautiful lady inside and out. I am blessed to have known her.

**LOVE YOU ELSIE!
WILL MISS YOU!**
