“ *I have had the privilege to work with some of the finest movers during the course of my 44 year career in the moving industry.*

I can say without a doubt that Emilio was one of the finest people I had a chance to meet and work with during that time. He always had a smile, he always was in a good mood, he always took pride in his work and the customers always loved him.

Emilio was one of those rare people who made other smile and feel good just by walking into a room.

He was loved by all at Suddath and will be missed and we know he is in a better place with the rest of the angels.

Our sincerest condolences to his family on their loss.

*Sincerely,
Dick Eschbacher*
