

Enrique Olivo

March 4, 1935 - February 7, 2024

It is with heavy hearts that we announce the passing of our beloved Enrique Olivo Rosario, fondly known as Kike, on February 7, 2024. Born on March 4, 1935, in Orocovis, Puerto Rico. Enrique lived a full life of joy, love, laughter.

A docile man with a giving heart, Enrique was one of the most generous men you would ever meet, always ready to lend a hand or a buck, to those in need. His love for life and family was immeasurable. His childish and playful laughter, as infectious as can be.

Enrique was a hardworking entrepreneur, always thinking of ways to make ends meet. From the tobacco fields to owning his own restaurant in Philly, he was always wanting a better life for himself and his family. Enrique often spoke of his exploits in Puerto Rico when he was a young boy, selling coal for 5 cents a bag, to chasing girls, enjoying his brothers, sisters, cousins and friends. He always enjoyed his weekends celebrating family milestones alongside extended family.

Enrique was a loving father and grandfather. His love for his family was boundless, and he cherished every moment spent with them. He loved having grand children around him, playing, reading to him, or tasting his great cuisine. Enrique's life was a testament to the power of love, humility, and generosity.

Enrique is survived by his children Daisy Olivo, Jose R. Olivo, Liz Allard, Lillian Olivo, Alberto Valentin; step children, Hector Ramos and Jose Rivera and an abundance of grand children and great grandchildren. He was preceded in death by his parents Jose Olivo and Bernardina Rosario his sons Enrique Olivo Jr., William E. Olivo, Arturo Olivo and Jose Olivo.

The Celebration of Life for Enrique will be held on Saturday, February 17, 2024, at 2:00 PM at his home 50 Spring Street, St. Augustine, Florida. Enrique's final resting place will be in Puerto Rico at his family estate.

Tribute Wall

MO

“ I want to extend my deepest condolences to my uncles, cousins and other family members. I ask God to impart strength in our hearts, this is not goodbye, but see you later. I will always remember your smile when you saw me and your words to me when you told me "talking to you is so nice, you are sweet and charming." You will live in my heart, now he rests with my father Jose E Olivo and other family members.

“ *The day I met Kike, I knew what a special man he was! A family visit was made with my father in law, who hadn't seen his brother in 30 years...the love they held for each other was evident in the many, many embraces they shared through the day. So many stories were told and the laughter could be heard for miles! It was as if the years melted away...these two grown men with children and grandchildren of their own, were once again children having fun teasing one another. Now they can spend an eternity together in heaven...Thank you Kike for the laughter and wonderful memories.*
