“ I am sorry sorry to hear of Gene's passing. I worker with Gene for a number of years in the Commerical Underwriting department at Allstate. We shared breaks and lunches together along with Bud Allen and other co workers. I will always remember in my training years how he always had time for my questions and offered sound, thoughtful advise. I never hear him say an unkind word about anyone. A gentleman and scholar. He was so proud of his then young sons and talked about them during his work day. God Bless his family and may you find comfort in the memories you created together. Jeanne Appleton Durfee

“ I knew Gene as a gentleman during my time as the EMMA Guild President with Dori at my side as Vice President. He was often at her side ready to be of service to our cause. I will always appreciate the quiet resolve he brought to the table. Thank you Gene. With heartfelt sympathy to Dori and his family and friends. Kiki Tovey

“ I was so sorry to hear about Gene's passing. In my mind he will always be a young man with a crew cut, big smile and easy laugh, who raced in rallies and epitomized all that was cool about the 1950's. I remember Derek and Lars swimming practices as young boys, many dinners at the Coal Tower restaurant in Pittsford N.Y., fascinating conversations with Gene while walking around Keuka Lake and, more recently, visiting him and Dori in St. Augustine. I did not expect Gene to leave us so soon, he was so much younger than his years. Please know that we are thinking and praying for you. A warm hug, Mimi and Jaime

“ We were saddened to hear of Gene's passing, and our sympathies go out to his family at this difficult time. I was in the same rally club in Rochester that Gene was back in the '60s, and fondly remember his good nature and competitive spirit. We were all good friends, but would rally against each other every weekend...sometimes we'd win, and sometimes he'd win, but it didn't really matter because we would all celebrate at the bar afterwards. I've included a picture of Gene with his TR4 rally car, at the Virginia Reel National Rally in Virginia circa 1968.
