“ *Sending Hugs from the Terrys. We loved Grandnonny very much! A funny memory I have of her was when they lived in their Alabama house and she was making gravy for Thanksgiving. I learned what giblets were for the first time and nearly fell over from the horror of it. Even though she insisted that's what made it good, this picky eater wasn't going anywhere near that gravy! Thinking of all of you today and sending you my love.*
