“ I worked with Evie at Fort Holabird 1968-1971 while I was in the Army. She was a wonderful person, always happy and laughing while we worked. I remember that she said her husband was a merchant marine at the time and was usually gone to sea for 3 months at a time. I just happened to be thinking about her when I came across her obituary. So very sorry for her family's loss. She was a wonderful lady. I pray that I will see her again when my Lord and Savior calls me home to be with Him and all His saints in heaven.
