“ Aunt Flora was a favorite of mine. We lost contact through the years, but did get to meet up and I'll cherish those times. I remember the excitement of reconnecting one time in St. Augustine when we had a youth event. It was good to be with her for a while at Grandpop Hall's memorial. It was great to see her last year in the hospital and she knew me. When she was healthy she was full of life, and she sure did love her Bob Hibbett. 💜💜💜

I'm an old friend of Floras and Bob. Delores Darby , I've been trying to get in touch with Bob to let him know that his FB and Messenger account has been hacked. I keep getting messages regarding a CBDG program that will deliver 100,000's of thousands of dollars to your doorstep within minutes after you click on their email address. Another one of my friends account was hacked with this same scam. I spoke with her and she assured me she had not received any such fortune and that she had not sent me any such message. Please let him know. Regarding Floras passing I was truly shocked she was so full of life and so much fun to be around. I only knew her briefly however I had the feeling I'd know her forever. So sorry for your loss
