“ Dear Linda, Our hearts go out to you during this very difficult time. May God bless you with peace and comfort knowing that your sweet Mama is now with her Lord. The only sadness is in those that are left behind. I, too, am an only child, so I feel your pain and I pray that you will find happiness in the many memories you and your Mama made over the years.

“ Linda, I remember fondly the days your sweet mother would be a Osceola Elementary helping - she was always so pleasant and such a beautiful smile. You could tell that she absolutely adored her daughter. I'm so sorry for your loss but you know that she is in "a better place" and being showered with adoration by your father was once again. You will always have your sweet memories of your mother and now you have your very own Guardian Angel watching over you. May God Bless you and if there is anything you ever need, even just a shoulder to mourn on, you know where to find me. Love to you my dear friend.
