

Frances Carolyn Suits

April 19, 1943 - January 11, 2022

It is with great sadness that we announce the peaceful passing of my mother, Frances Carolyn Suits on January 11, 2022 at age 78 from a short battle with cancer. Carolyn is survived by her son, Derek, his wife Nikki; step granddaughter, London Bragg; her brother, Frank Williams; sister-in-laws, Marolyn and Ina Williams; many loving nieces and nephews; her friend and caregiver, Linda Blackwood and family; and her precious dog and cat, Lucy and Chloe.

Carolyn is predeceased by her parents, Bob and Bernice Williams, her brothers, Bobby Williams, wife BJ, Jimmy Williams, Milton Williams, sister, Virginia Kennison, husband Clayton and sister in law Janice Williams.

Carolyn graduated from Paxon High School in 1961. After retiring from CSX with 34 years of service she worked for Belk at the Clinique counter. Carolyn volunteered for Meals on Wheels, taught reading at Webster School, Habitat for Humanity, Committee Chair at the Wellness Center in St. Augustine. She was also responsible for flowers in her church, Ancient City Baptist.

Carolyn loved to travel, she was the leader of fun, she loved to laugh and make people laugh. All who knew her loved her story telling and her sharp wit.

A celebration of life will be held at a later date.

“Remember her laughter in your heart, not tears in your eyes”

Special thanks to the hospice nurses at the Bailey Center for their loving care.

St. Johns Family Funeral Home is in charge of arrangements.

PS

It wasn't a party unless Carolyn was there telling her stories, dancing and flashing that beautiful smile. She was such a good friend I never thought I would ever be saying goodbye to. She taught us all how to have fun. A beautiful life gone way to soon. Until we meet again my friend. Love you ❤️❤️❤️🙏🙏

I met Carolyn at age 5 and we grew up together in church. We have a special bond in that we were baptized together at age 12. We were both in the water together and got a good Baptist dunking. We had a lot of fun in church activities and in school. Carolyn was one of my bridesmaids at my wedding. She loved my mama and Pop and was at our house often, and they loved her too. I know they are rejoicing in heaven with Carolyn and her family. I will greatly miss her but will cherish our good memories over the years.

Carolyn and I have been friends since 2nd grade. Going thru elem, jr high and high school. We were on the same bus route all those years. We both wound up working at CSX. We took several girls trips with 3 other girlfriends. This is a hard loss for all of us that loved you like a sister. As I have said before, I will see you on the other side and we will catch up just like we have done all these many years. I love you my friend💕💕
