December 12, 1950 - February 16, 2023

Fred M. Duquette, age 72, of St. Augustine, passed away February 17, 2023 at his home with his family by his side. He was born in Detroit, MI and grew up on Barksdale Airforce Base in Shreveport, Louisiana. They started their family in Miami and moved to Manassas, Virginia for 13 years. In 2012 they returned to Florida and settled in St. Augustine and Fred retired shortly after. He was a member of St. Ambrose Catholic Church and being an avid golfer he was a member of USGA. Duquette (Mallory) and Jeannette Williams (Brad); siblings, Jon Duquette (Holly), Bill Duquette (Gladis) and Michael Duquette (Lori) and his grandchildren, Taylor and Colton Williams. “ It had been a very long time since I had seen my uncle Fred, although we lived some 1,200 miles away from the Duquette’s, and weren’t able to visit but like every other five years (at least it seemed), it was always a great time being around my mother’s side of our family, from Boompa and Nona all the way down to my youngest cousin (sorry that I don’t actually know which one it is) every single Duquette was the most kindest, loving, and generous people that I have the privilege of calling family, and Fred was not only a piece of the good times, he was the good time starter, and one of the funniest people I know, I love each and every one of you just as much as Fred, but he did have a charismatic personality that drew people to him rather he was fond of it or not! This is just in case one of my family members down there happens to go through this memorial page again (crossing fingers on this), I am leaving my e-mail and number for you, and please utilize one or the other, for I do not know how to get in touch with any of you, no address book or anything of the sort could I find after all of my immediate family have passed, Nicole being the last in 2013, so you see besides my Heather and the two grandsons she has blessed me with are all the family I have left, and they live 1,000 miles from me in Colorado, of which does make it great when I visit!), so if this gets read, please somebody get in touch!! E-mail is geoffpet@gmail.com and (318)655-2136 is my number, but you’d have to send a text first because if you’re not in my contacts it will go straight to voicemail, so sorry to hear of Fred passing, and wish it would have been possible to know way sooner, but that’s how it is when losing touch with even famiiiy, and I’m just as at fault as any of us, anyway I love you all, and would really like for us to have a get together as none of us are growing younger!

“ I had the privilege of knowing Fred through a significant part of his life. To say he was a strong, faith driven person is an understatement. He had such an infectious attitude about life and he definitely lived it! I will miss his humming and singing. My prayers are with his whole family. Fred and Barbara were always so kind to me and the way they loved each other was easily noticed by everyone. He will be missed so much, but remembered always <3

I had the great privilege of knowing Fred. We met when Fred Jr. played high school baseball and talked to each other everyday. He was a huge part of my families life and taught me a lot. When we had days off Fred, Barb and I would always find time to golf. Fred always had a song in his head - whistling and humming... I believe his favorite part of golf was finding golf balls and once told me its like finding money, lol. He will be truly missed!
