“ *I miss my sweet aunt so much already. I loved her so much. I just hope she enjoyed me half as much as I enjoyed being with her. We always had the best time. I am so thankful that I took the time and had the time to take to be able to make such beautiful memories with her. I was blessed beyond measure having her in my life. So happy for her now being with her girls. Her passing is certainly bittersweet with me being a little selfish. ☐❤❤*

“ I was an admirer of Freda for her attractiveness, friendliness and her family, especially Charlotte who was my hair stylist for many years. The Hair Loft is where I met both of these charming women, mother and daughter. They were important members of this family and our community of St. Augustine. I am grateful to have known these fine, upstanding women who I will remember my lifetime. TO her family, my heart, thoughts and prayers are with you always.
