“ *My uncle Gary was truly an exceptional person whose journey of overcoming struggles and transforming his life remains a profound inspiration to our entire family. That same determination he used to turn his life around was visible in his everyday passions—from his fierce loyalty to Pittsburgh sports to the optimistic thrill he found in seeking a winning lottery ticket. His story is a beautiful reminder that it is never too late to chart a new course, and the strength he showed in bettering himself is a legacy I will carry with me forever. He will be deeply missed, but the light he found in his own life will continue to guide those of us who were lucky enough to know him.*

“ I was deeply saddened to hear of my second cousins (or as it my first cousin once removed?) Gary’s sudden passing. Life can be complicated and full of unexpected turns, but through it all, Gary I always thought had a spirit that was uniquely his own. He found joy in the things he loved—especially football—and those who knew him will always remember his enthusiasm, his competitive nature, and the way he connected with others through the game.

We trust that God’s mercy is greater than our understanding, and that Gary is now at peace, free from the burdens and struggles of this world. May the Lord wrap His loving arms around his family, offering comfort, strength, and hope during this time of sorrow.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” (Psalm 34:18)

Keeping Gary and all who loved him (Nadine, Doreen & Denny, Billy & Denise, Kenny & Mary, Dorothy & Ed, Reenie, Arlene & John, Diane, Matt, Erin, Katie, etc.) in my prayers! God bless us EVERY ONE! 🙏❤️

“ Gary knew a lot about football players not only on the Steeler team but all the teams. Maybe that’s why he finished 1st place three times in a row when we first joined Fantasy Football. He wore the Burger King crown proudly every year. May you rest in peace, Gary. We love you.
