“ It would be abashed to not share a memorable memory about the FIRST Mother N Law, I had. She was strong Stern but yet Passionate heart of a woman. She had a natural gift for helping others, I too was raised in the home at 143 Flora Ave as one as her own, from the Thanksgiving meals she prepared every year not to mention MONITORING lol.. the meal to be sure that everyone eats, even the relatives outside the home would come, those are the type of memories of love she left for us to carry on, even after I had my first child memories of whoever were not working had to help the younger ones with their homework, life lessons such as these sticks with you along with many many great conversations we shared on the phone. Thank you Mother N Law you will forever live in my heart, until we meet again.
