“ Dear Diane, Please accept our deepest condolences. I had the great honor to serve with George in VP-62 on Crew 7. George was a great leader, shipmate and friend. We who knew him were blessed and honored.

Unfortunately, a recent surgery prevented us from travelling to attend the service. A donation has been made to the Sarasota Vets in George's memory.

Our thoughts and prayers are with you.

I agree with John. We had one heck of a P-3 Orion Crew. George "assisted" me through US Navy Chief Initiation and I will always remember him for his devious smile. He is my Brother and that is a Honor I will carry with me until we meet again.
