

George "Buck" Wright

July 19, 1938 - September 8, 2020

George Warren "Buck" Wright, native of St Augustine, Florida, passed away on Tuesday, September 8, 2020 at the age of 82. He was the proud son of John Franklin Wright and Rosa Bell Lee. He was surrounded by his loving wife and children as he peacefully went to be with his Lord and Savior.

"Buck", as known by most, married Carol Wilson on June 20, 1959. They recently celebrated 61 years of marriage. Their marriage is described as one of the most precious and beautiful love stories ever known. His loving wife and best friend will miss him dearly.

He was preceded in death by four siblings, Jake, Evelyn, Elmer and Earl. He is survived by six siblings, Margaret "Beannie", Helen, Bruce, Jack, Mary and Randy.

Buck is survived by his 7 children, Donna Diane, Lisa (Charles), Sheryl (Charles), Woody (Leslie), Nina (Kevin), Georgette (Art), and April (Brooks), along with 35 grandchildren and 32 great grandchildren.

Buck was an extremely compassionate man that loved and honored God. He never met a stranger and always treated people with the utmost kindness and respect. He left an imprint on each life that he touched, but more importantly he left us with the gift of JOHN 3:16. Buck would look for ways to secretly

bless others without their knowledge.

Whether building swamp buggies and engines, restoring old tractors, cars, and boats, racing short track cars and go-karts, or watching a race on tv, his passions were evident. He taught his children and grandchildren to water ski, drive tractors and back up trailers. He was a simple man with a bountiful amount of talent.

Buck thoroughly enjoyed cutting grass as he always prayed over the family land that is now the future home of Alpha Omega Miracle Home's campus. He loved growing fruit trees on the property. Hours upon hours were enjoyed by family and friends swinging and rocking on the front porch with him and walking through the woods to reflect on God's creation. He loved taking long leisurely rides, but not too far from home or for too long. You could always find him looking for deer at Princess Place Preserve.

Buck, also known as Daddy or Papa, was known for sharing great wisdom with others. He always shared golden nuggets of advice. One of the special traits he passed on was his love for God, family, his country and for the stranger that would become a treasured friend. All would agree that his favorite past-time was visiting with family and friends. He would never miss an opportunity to take pictures with those he loved, so we have plenty of pictures to treasure.

A Celebration of Life will be held at the Classic Car Museum on September 20, 2020 at 3pm with a drop-in visitation from 1-3pm. In lieu of flowers, donations can be made to Alpha Omega Miracle Home, earmarked for a future memorial in honor of Buck under the big "Family of Life" oak tree.

Thank you to St Johns Family Funeral Home and the Classic Car Museum for helping with arrangements. Due to Covid-19 the family request for attendees

to use social distancing and to wear a mask out of respect for others.
