“ *To the Cafcules Family. I have been looking for information about Georgiann for a couple of years because I have not heard from her lately. I am so sorry to hear of her passing. We worked together in Chicago at the newspaper and we worked with each other in the line of advertising. She was a lovely lady and I am greatly saddened at her passing. I briefly met her sister at a lunch that Georgiann and I were at. My prayers for her and her family.*
