“ *I worked with Gerry at Reebok for a few years and even after I moved on, I would still go by the store just to see him and chat. He was an amazing guy and could captivate you with his stories and sense of humor. He was the most "New York" guy I ever met at the time, and listening to stories of his life was always fascinating. Rest easy Gerry, I bet the golf courses in heaven are incredible.*

“ Gerry and I shared memories and moments of respective careers in the theatre and a love of golf. I'll always remember a story about a famous star who we both knew and shared a chuckle. We could use a lot more Gerry's in our lives and industry. RIP my friend.
