“ Sending prayers of strength and comfort to you and your family, Terri. My heart breaks for you as you begin this new journey in life. So proud of Glenn's tribute to his father; how touching! I know you are proud of your boys....and I know your hubby is so proud of you! Keep all the beautiful memories you and Glenn made together tucked close to your heart. he touched so many hearts and made such a positive difference in the life of others...even in one sweet second grade student of yours; who could ever forget the cutting of the tie! Know that I am just one phone call away. Love you, my dear friend.

“ We both grew up in the same small town in Connecticut as Glenn. The good memories go way back. Glenn was best man in our wedding in 1974. We also lived near each other in Florida. Being avid boaters, we enjoyed many good times together; the Lake Powell houseboat trip being a highlight. This world has lost a good man who will live on in our broken hearts. May God bless the Luisi family in this time of sorrow.

“ Our deepest condolences to all friends and family of the Luisi's. Our earnest prayers for comfort are with you. I met Glenn about 30 years ago when his practice was in Florida. We felt very special when he transitioned to NC and began "house calls" with us. His steady faithfulness and amiable countenance were exactly the characteristics you'd want in a great accountant, and also in a friend, a father a husband, a son. We are forever grateful for his friendship and service. We take comfort in knowing of his faith in The Savior. It is that mutual faith that we hold fast, until we see each other again at our Father's table. The Dawes Family

“ Being a very close friend to his childhood and long time friend, Steve Drews, I had the privilege of meeting Glen and Terry and enjoying a couple of houseboat trips on Lake Powell with them. He will be painfully missed by his Family and all his friends, especially Steve. My heart breaks and goes out to Terry and all Glen's loved ones. Affectionately, Dave Infante
