“ Hello All, It's unfortunate to have to contact you for the first time in years for the purpose of expressing my sympathies on the loss for your Mom. Aunt Gloria was a very special lady and I fondly remember the times Mom, Dad, Debbie and I visited throughout our childhood. She'll be missed but definitely remembered! Take care to all.

“ Words cannot express the sorrow I feel for you all. No matter when someone leaves us, it's too soon. I didn't get to see Aunt Gloria that often, however, I enjoyed every minute I did see her. She was such a fun-loving lady and enjoyed her life so much. I'm sure she will be watching over you all with pride and joy for the rest of your lives. She has now truly gone home. Love to you all, Terri Franklin (Watson)

“ God is ever near to those Who have a broken heart Through the loss of someone dear That tears your world apart It seems so overwhelming The grief too much to bear But know that God is with you He loves you and He cares
