“ In searching thur the obituary I found your name and I wanted extend my condolences to you and your family. I know this is a difficult time for you, but I wanted to share a wonderful hope found in the scriptures, A real hope of being reunited with your dead loved one is found in the scriptures at: John 5:28. 29, along with a promise from Christ Jesus at: Acts 24:15, where he said that there is "Going" to be a resurrection, soon we will see these scriptures come true. My prayers are with you and family at this great time of loss. May Jehovah , the God of all comfort give you what you need to deal with your loss .

“ Gordon has been our friend from the first day we moved here 10 yrs ago. We had coffee almost daily and fight about who would pay for it! He was ornery and as Dorothy has said, that's part of his charm. He was kind and good. No one had a better friend. He was honest and loved animals , maybe more than us. No matter. We loved him . Thank you for your time and friendship .
