“ My Tia Getchie (family nickname) was a beautiful person inside and out. She will be greatly missed but we have beautiful memories to cherish. As she said to us a couple of weeks ago, "you have to enjoy life, you have to laugh". To my Uncle Jose and cousins Jose Jr and Fabian, I carry you in my thoughts and prayers.

“ There are no words that can convey the loss we all feel in our hearts. Mrs. Q was the epitome of love and compassion. Our staff and students cherished her, many looking at her as the "school mom". Her presence will always be felt on campus. May our memories of her continue to be a blessing!

She will be so missed. She was such a huge part of our school and her presence at the school was such a comforting one where all the students and her coworkers could sense the amount of love she had for everyone.

Ms. Q was an exceptional person who left a lasting impact on all of us. She had a special love for her students, going above and beyond to create a nurturing and supportive environment. I know that her love for them was mutual, for she was loved by her students and everyone she met.

One of the first things that comes to mind when I think of Ms. Q is her gentle, soft-spoken nature. She always exhibited a sense of kindness and compassion in her interactions with everyone. Her smile had the power to brighten any room she walked into.

Even though she is gone, she has left a lasting impression on me, and it has been a pleasure knowing her. I want to extend my thoughts and prayers to her family, who are now experiencing the profound loss of such an incredible wife and mother.
