“ *Marlene, Greg was one of the most honest and sincere men I've
known, He made no bones about how much he loved you and
Rachel, and Mark and Zoe. I always considered him bullet-proof,
yep, he was that tough. The way he tenderly cared for you when
you were the patient is something that everyone who was witness to
that will never forget. You and he had something so very rare in this
life. A better partnership would be hard to find. I am also, shattered
for you and your family. He was a true angel on this earth, and now
he will take his rightful place in Heaven. You are all in my thoughts
and prayers.*

“ *Greg was a wonderful human being who lived life on his own terms.
Those he loved, he loved generously. The world is a sadder place
without him. Love to you, Marlene, his first love, and to Rachel and
Zoe during this sad time.*
