“ *We had such great fun times together in the years Hannah and I were friends. So many memories of trips and hanging with Andy too. I've missed her since she moved to Florida, but have the pictures to smile and remember my dear friend.*

“ Rest in peace Hannah. You left Ireland as a 16 year old with a small case. You made America your home. You always loved to come "home" and spend time with your family here.

Your visits were always greeted with much excitement. The parties and family gatherings were had. Your Aunts loved your visits and you even made it back for a 100th. Aunt Maggie. Aunts helped raise you as your mum passed away when you were a baby.

Life in USA had it ups and downs for you. But spending your honeymoon in Ireland with "your" Andy was wonderful. Andy was the love of your life.

The world is a lot less brighter with your passing. You will be remembered by me as a loving, caring, funny, witty, generous, smart, clever and kind hearted lady who made a long lasting influence on me.

Hannah is pre deceased by her sister Philomena and her brother Eddie.

May she rest in heavenly peace.

Your loving niece

Noreen & Andrew, Darragh & Eoghan O Callaghan, Watergrasshill, Co Cork.
