Hans Joachim Neumann, age 77, of St. Augustine, passed away peacefully on August 20, 2022 at the Bailey Family Center for Caring in St. Augustine Florida with his family by his side. Hans was born to parents Fritz and Ursula (Guth) Neumann on October 7, 1944 in Oberschreiberhau, Germany and grew up in Munich, and Darmstadt, Germany. Right out of high school, Hans joined the military and served in the GSG-9 Special Forces Anti Terrorism Unit. His unit responded to one of the first Terrorists attacks in Germany. After his discharge, Hans went to work for the German Department of State as a census statistician and later was one of the first computer programmers in the Fortran Language. He met the love of his life, Anke Cacciola, while living in the same apartment house in Wiesbaden, Germany. He married Anke on July 25, 1980 and moved with her to the U.S. in 1985, settling in Lecanto, Florida where they resided until moving to St. Augustine in 1996. Hans owned and successfully operated a cleaning company for many years in Citrus County. After moving to St. Augustine, he and Anke opened Advanced Healing Therapies where he practiced as a LMT for several years. Hans was very organized and was an accomplished entrepreneur. He grew several businesses and organizations and was successful at anything he put his hand to. More than anything, he was a loving husband, father and grandfather and he will be missed.

“ *Dear Anke, Alex and Patrick -- my heart is with you. John brought love and light to St. Augustine through his participation at the Center for Spiritual Living and through your Healing Arts center. He is dearly remembered. I know if Lee Cisar was here, she would add her blessings to mine. He was a seeker and his caring soul touched many people. Love to you.*
