“ I am so sorry to hear about Mr. Harold's passing. I am great friends with and kin to Bobby & Tiffany Solano from Collins. I know through them, he was a great man and they certainly thought the world of him and his family. My thoughts and prayers are with the families during this difficult and trying time.

“ This man was one of my role models growing up. I was at his house just as much as my own. He always treated me as one of his own... I never once heard him say anything bad about anyone... Many of evenings I would wait till there was no more dark as as always someone had to take me home which was him and he would always wait to make sure I made it in the house before him leaving.. It's lil things like that, that go by so fast.. I love you Uncle Bubba RIP..... I know u will continue to watch over all your love once until we meet again....

“ Life seems unfair at times, and this is one of them. But I know that I will have one of the best guardian angels with me daily. I'm sad that I haven't seen you in a while but I will always keep our memories close to my heart. I will miss the way I would walk down that old dirt road daily from my house to yours. I will miss getting there precisely at 7pm to watch wheel of fortune followed by jeopardy. I will miss all of our family get togethers and Sunday lunch. Going hunting in the wee hours of the morning, Eating lunch on your dog box. Family softball games. The smell of the old orange clay mixed with pipe tobacco at Francis field watching your games. I will miss the way You always insisted on giving up your seat to let anyone sit down. Most of all I will miss your presence. I will always hear your voice call out "hun" to grandma. I love you. Until we meet again....
