“ Although I didn't really know Victor, my family was very fond of him. I am the younger sister of John and Cindy Thurston, and at times, while visiting, I've only heard great things about Victor. He sounded like a soft hearted, gentle, selfless man. My prayers go out to his family and friends. GOD Bless!

“ You were a wonderful man and cousin. So full of your self. I know Uncle Kyle, and Grandpa Cooper were waiting on you to arrive. Do not be racing cars too fast. I am sure you will have a problem beating Earnhardt, Bonnett, and the best Davey Allison...
