“ Harry was one of my clients for about 10 years. He was a good man, well versed in politics and I considered him to be a very intelligent man. I am also a neighbor and was quite shocked by his passing as he took good care of himself by riding his bike through the neighborhood when the weather permitted. As I pass his house every day, there's a sense of sadness and a bit of disbelief that a life can end do abruptly...it seemed as though I had just seen him at the mailbox about a week before his passing. I hope his family is handling this loss as best they can. My prayers are with them.

“ Harry was a great man. I met him in 2019 when I was his pool guy. We would talk every Thursday and eventually hit it off. He taught me a lot of valuable life lessons, history, and how to shoot firearms. He was always there for me and I will miss him deeply. Prayers for his family. Love you all
