

Heather Jane MacMillan

September 14, 1967 - September 14, 2023

Heather Jane MacMillan was born September 14th, 1967 in Hartford, Connecticut to Dorothy (Slick) MacMillan and David MacMillan. She passed away on her birthday September 14th, 2023 at her home. Before moving to St. Augustine, Florida she grew up in Enfield, Connecticut with her sister, the late Devina (MacMillan) Domina (Michael Domina). She had many close friends, including best friend, Michelle Paradis, and close friends Dawn Ifert and Millie Wilcox. She was a loving partner to William Maisenhelder for 35 years and a loving mother to daughters Rochelle Delgado (Jose Delgado) and Kristin Maisenhelder. She was also a loving grandmother to Malachi Delgado. Heather loved to care for people. She was a CNA for many years. Most of all she loved caring for her family. She was an amazing cook and loved to cook for her family and friends. She was very crafty and liked to do art. At one time, she desired to be an art teacher. She enjoyed crocheting, which she learned from her grandmother Agnes (Ziemnicki) Slick. She loved to garden and decorate her yard. She had a love for God and watched preaching on TV every day. She will be greatly missed. Because she put her trust in the Lord Jesus, we know we can look forward to seeing her again in Heaven someday. Romans 10:9-10 "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation."

“ Heather was an awesome friend. If you was down and out she would always put a smile on your face. If you was doing wrong she would sure let you know. Heather was always honest and faithful. She sure loved her girls, grands and Billy. If you was hungry she would feed you even if you wasn't hungry she would still offer you something to get. That girl could cook that's for sure. Her and I have many memories and I'll hold them memories till God calls me home. I'm going to miss you Heather but I know I'll see you again one day. Watch over us all girl. My prayers go out to my girls, Billy, grands and the family. Sleep sweet till we meet again. 🙏👉🥹

“ My Mom Heather was so loving, kind and caring. She was such a good cook, always wanting to feed everyone. She was a very good artist and could come up with something out if nothing. She taught me so much! I am so thankful for her. I remember as a little girl she would tell me that she loved me higher than the sky, deeper than the ocean more than anything except for God. She taught me at a young age that I had to love God more than anything or anyone. She told me that she accepted Jesus as her Saviour as a teenager so I know I will see her again in Heaven someday. My Dad would call her his beautiful flower. He loved her dearly for 35 years and he said that he has been through all kinds of stormy weather but nothing compares to loving you Heather. I love you Mom! It's not goodbye it's see you later like we always say! Love your baby, Kris, Kiddo, Kristin xoxoxo
